### **Bukit Tigapuluh Block (B5002, [Map 1](#))**

PT. Atech, a contractor of PT. Bukit Betabuh Sei Indah, is logging in natural forest of Bukit Tigapuluh Block in Indragiri Hulu District. The timber from this logging operation is supplied to PT. Riau Andalan Pulp and Paper (RAPP), a pulp subsidiary of APRIL in Riau.

Eyes on the Forest found that the truck loaded with timber from Bukit Tigapuluh forest block (truck number BM 9577 AT) has a bill of lading issued by Riau Provincial Forestry Agency to supply timber to RAPP. Following are the information found on the document.

Timber Transportation Serial Number	: RAPP C. 034977
Name of Concession	: PT.Bukit Batabuh Sei.Indah
Unit/Logging Block	: Kpts 522.2/PK/2536
Initial of Driver	: E.G
Destination of Timber	: PT. RAPP

In its logging operation, PT. Bukit Betabuh Sei Indah is using Industrial Timber Plantation License (IUPHHK) issued by the Head of District of Indragiri Hulu dated on November, 2002.

The Ministry of Forestry (MoF) is currently reviewing the validity of IUPHHK-HT issued by Governors or Heads of Districts, therefore, any logging operation based on IUPHHK-HT should immediately stop and all companies sourcing timber from such activities should as well stop all deliveries.
